

AVIATION PIONEERS ASSOCIATION

The Aviation Pioneers Association, a California not-for-profit corporation, was formed to promote the interest and pride we all share in aviation and our part in it. The Association will schedule and arrange an Annual Meeting and Reunion; a current mailing list will be maintained; newsletters will be sent to all members several times each year and we will work toward establishing a museum to commemorate the contributions made to aviation by supplemental air carriers.

Membership dues are \$15.00 per year, per family. We will, however, accept and appreciate donations in any amount.

Our official APA LAPEL PIN is available to dues paying members. If you are interested in ordering the pin, be sure to check the appropriate box on the form below.

If you know the whereabouts of others interested in our Association, please send us their names, addresses and telephone numbers. We look forward to hearing from you. Please don't hesitate to let us know if you have any questions or suggestions.
